

Providing accounting and consulting services to the construction industry for over 65 years.

Hertzbach & Company, P.A. has over 65 years of relevant experience serving the needs of our clients in the construction industry. Our firm understands the construction industry has been through a very difficult period and seen dramatic swings in profitability. Our professionals are here to serve and guide your business through these challenging times.

As today's economic conditions begin to improve, operating a construction company takes on new challenges and requires management's constant attention. Now, with increased activity, the construction firm team must keep a watchful eye on profitable project management, tax considerations and compliance with state and local regulations.
