

Providing essential tools for a successful future.

Hertzbach & Company, P.A. is an established provider of full service accounting, tax and consulting services to the construction industry. Our clients range from small contractors and subcontractors to large construction organizations. Our decades of experience give us the depth needed to effectively and efficiently develop and implement strategies to meet your needs.

Originally founded as an accounting and consulting firm working within the construction industry, Hertzbach has 70 years of experience working side by side with contractors. We understand that operating a construction business is challenging and requires management’s constant attention. Our Construction Industry Group consists of an experienced team of professionals that includes several Certified Construction Industry Financial Professionals (CCIFP®). The comprehensive services we provide include accounting and auditing, assurance, tax planning and preparation, business advisory services, surety and bonding assistance and cost segregation services.
